Workshop: Introduction to Big Data Processing in Python

Certificate of completion

This certifies that Aleksander Kalacun completed the training "Workshop: Introduction to Big Data Processing in Python".

Training date	31 March 2025
Training duration	4 hours
Certificate number	202503-195
Certificate issue date	9 September; no year is printed in the original.

Competencies acquired

- Understanding big data processing procedures.
- Using basic pandas functions to process big data.
- Using advanced pandas functions to work with big data.
- Optimizing the loading and storage of big data.
- Visualizing and analyzing big data.

Signatories identified in the original

Marko Drobnjak, Chair of the EuroCC SLING Consortium Management Board.

Jani Dugonik, Institute of Informatics, Faculty of Electrical Engineering and Computer Science, University of Maribor.

Funding statement

The EuroCC 2 project is funded by the European Union. It is funded by the European High Performance Computing Joint Undertaking (EuroHPC JU) and Germany, Bulgaria, Austria, Croatia, Cyprus, the Czech Republic, Denmark, Estonia, Finland, Greece, Hungary, Ireland, Italy, Lithuania, Latvia, Poland, Portugal, Romania, Slovenia, Spain, Sweden, France, the Netherlands, Belgium, Luxembourg, Slovakia, Norway, Turkey, the Republic of North Macedonia, Iceland, Montenegro, and Serbia under Grant Agreement No. 101101903.

Translated from the Slovenian original. The original issued document remains authoritative. Logos, stamps, and signatures have not been reproduced.
